

Privacy Statement

Please read this privacy statement carefully.

Privacy is very important to us. We also understand that privacy is very important to you. This Privacy Statement tells you how we protect and use information that we gather through this and other Nuvita web sites. This Privacy Statement is intended for a U.S. audience.

This Privacy Statement was last revised on April 20, 2011. We may change this Privacy Statement at any time and for any reason.

By using this web site, you agree to the terms of the most recent version of this Privacy Statement.

Introduction

The information we receive, and how we use it, depends on what you do when visiting our web site. We collect and use your non-personal information (information that is not identifiable to you personally) differently than your personal information.

What is non-personal information?

Non-personal information is information we collect through this web site that does not identify you as an individual person. It may include information such as the following:

- the type of web browser software you use (for example, Netscape Navigator or Internet Explorer)
- the name of the domain from which you access the Internet
- the Internet address of the web site from which you linked directly to our web site
- the date and time you access our web site
- which pages you have visited on our web site
- the search terms you use
- the links on which you click
- personal information that has been made non-personal or anonymized (i.e., information that no longer reflects or references an individually identifiable user)

What does Nuvita do with non-personal information?

Because non-personal information cannot identify you or be tied to you in any way, there are no restrictions on the ways that we can use or share non-personal information. We are always looking for ways to better serve you and improve this web site. We will use non-personal information from you to help us make this web site more useful to visitors. We also will use non-

personal information for other business purposes. For example, we may use non-personal information or aggregate non-personal information to:

- create reports for internal use to develop programs, products, services or content
- customize the information or services that are of interest to you
- provide aggregated information on how visitors use our site, such as "traffic statistics" and "response rates," to third parties

What is personal information?

Personal information is information we collect through this web site that we can use to specifically identify you, such as your:

- name
- telephone number
- e-mail address
- personal health information
- date of birth

How does Nuvita keep and use personal information?

We may keep and use personal information we collect from you through this web site to provide you with access to this web site. In addition, we may keep and use your personal information:

- to respond to your requests
- to personalize your access to our web site
- to develop records, including records of your personal information
- to develop personal wellness programs and track your progress
- to contact you with information that might be of interest to you and your wellness
- for analytical purposes and to research, develop and improve programs, products, services and content
- to remove your personal identifiers (your name, e-mail address, social security number, etc). In this case, you would no longer be identified as a single unique individual. Once we have de-identified information, it is non-personal information and we may treat it like other non-personal information.
- to enforce this Privacy Statement and other rules about your use of this web site
- to protect our rights or property
- to protect someone's health, safety or welfare
- to comply with a law or regulation, court order or other legal process

Notice of Privacy for Protected Health Information.

Does Nuvita ever share personal information with third parties?

Nuvita will NOT share your personal information collected from this web site with an unrelated third party without your permission, except as otherwise provided in this Privacy Statement.

In the ordinary course of business, we will share some personal information with companies that we hire to perform services or functions on our behalf. For example, we may use different vendors or suppliers to ship you products that you order on our web site. In these cases, we provide the vendor with information to process your order such as your name and mailing address. In all cases in which we share your personal information with a third party, we will not authorize them to keep, disclose or use your information with others except for the purpose of providing the services we asked them to provide. We will not sell, exchange or publish your personal information, except in conjunction with a corporate sale, merger, dissolution, or acquisition.

We may be legally compelled to release your personal information in response to a court order, subpoena, search warrant, law or regulation. We may cooperate with law enforcement authorities in investigating and prosecuting web site visitors who violate our rules or engage in behavior which is harmful to other visitors (or illegal).

We may disclose your personal information to third parties if we feel that the disclosure is necessary to:

- enforce this Privacy Statement and the other rules about your use of this web site
- protect our rights or property
- protect someone's health, safety or welfare
- comply with a law or regulation, court order or other legal process

Please note: In addition to the ways that we may keep, disclose, and use information described in this Privacy Statement, we also may keep, disclose, and use personally identifiable information that you give us through this web site in ways that we believe are consistent with FDA and other governmental guidance, directions, regulations, and laws.

What happens if the privacy statement changes?

If we decide to make a significant change to our Privacy Statement, we will post a notice on the homepage of our web site for a period of time after the change is made. Significant changes are also described below.

What about privacy on other web sites?

This web site may contain links to other web sites. Some of those web sites may be operated by Nuvita, and some may be operated by third parties. We provide the links for your convenience, but we do not review, control, or monitor the privacy practices of web sites operated by others. This Privacy Statement does not apply to any other web site. We are not responsible for the performance of web sites operated by third parties or for your business dealings with them.

Therefore, whenever you leave this web site we recommend that you review each web site's privacy practices and make your own conclusions regarding the adequacy of these practices.

Are there special rules about children's privacy?

We care about protecting the online privacy of children. We will not intentionally collect any personal information (such as a child's name or e-mail address) from children under the age of 13. If you think that we have collected personal information from a child under the age of 13, please contact us.

What about web site security?

Security is very important to us. We also understand that security is important to you. We take reasonable steps to protect your personal information from loss, misuse, and unauthorized access, disclosure, alteration, or destruction. You should keep in mind that no Internet transmission is ever 100% secure or error-free. In particular, e-mail sent to or from this site may not be secure, and you should therefore take special care in deciding what information you send to us via e-mail.
